

FOR IMMEDIATE RELEASE - March 9th, 2026

LOCAL ROBOTICS TEAMS REPRESENT NEWFOUNDLAND AND LABRADOR AT THE 2026 ROBOTICS WORLD CHAMPIONSHIP

For their performance at the 2025 Newfoundland and Labrador *FIRST* Robotics Provincial Championship, **Pearce Junior High School** and **Roncalli Central High School** are travelling to **Houston, Texas** to compete at the *FIRST* Robotics World Championship from April 29th to May 2nd. They will compete alongside more than **1,000 teams** from around the world for the title of World Champions!

The *FIRST* Robotics World Championship is **the largest K-12 Robotics event in the world**. It brings together top teams from around the world to celebrate science, technology, engineering, and mathematics (STEM), while fostering an environment of Coopertition® and values such as gracious professionalism, innovation, and teamwork. Competing on this international stage is a significant achievement and a **testament to the dedication and hard work** of the students, coaches, and supporters behind both teams.

2025 *FIRST* Lego League Provincial Champions
 Pearce Panthers, Pearce Junior High

2025 *FIRST* Tech Challenge Provincial Champions
 Indy's Innovators, Roncalli Central High

Alongside the two teams traveling to the *FIRST* World Championship, **four other schools** have earned the opportunity to **participate at invitational competitions** in North America.

Canada Cup of Robotics, June 13th-20th

 High School**
St. John's

**Clarenville
 Middle School**
Clarenville

**Marystown
 Central High**
Marystown

Western Edge Invitational,
 May 29th - June 1st
Long Beach, California

Lakecrest Independent
St. John's

To ensure that youth in Newfoundland and Labrador get the opportunities to represent the province and compete on the international stage, the Government of Canada, through the Atlantic Canada Opportunities Agency (ACOA), and the Government of Newfoundland and Labrador have both provided funding to support teams traveling to international competitions. The Government of Canada has provided \$52,000, and the Government of Newfoundland and Labrador has provided \$20,000.
